Steve Lynds Photography was founded on the premise of providing clients with what they truly want: quality photographs and artistic coverage paired with unparalleled professionalism and presentation.

Communication is critical when planning a wedding, and we are available to speak with you at your convenience by phone or email. ***All emails will be responded to within 24 hours!***

With nearly a decade of professional experience photographing over 75 weddings, we take the process of ***Preserving Your Memories of Dreams Becoming Reality*** seriously.

We empower our clients by including the digital files with each of our wedding photography packages. No hassle, no additional negotiating, your photos are available for you to download from our website. We also include a Photo Disc or USB stick with your digital files. Professional lab printing is also available if you prefer.

We will help you to have the most relaxed wedding possible, as this is the best way to help you get excellent quality photographs of you enjoying yourself and being happy celebrating with your family and friends!
